

## Board of Appeal & Equalization is April 18, 2022

The Board of Appeal and equalization of the City of Newfolden shall meet on Monday, April 18, 2022 at 6:00PM at the Newfolden Community Center. If you believe the value or classification of your property is incorrect, please contact your assessor's office to discuss your concerns. If you disagree with the valuation or classification after discussing it with your assessor, you may appear before the local board of appeal and equalization. The board will review your assessments and may make corrections as needed. Generally, you must appeal to the local board before appealing to the county board of appeal and equalization.

## 2022 SPRING CLEAN-UP IN NEWFOLDEN IS MAY 30 THROUGH JUNE 5TH

The dates for this year's spring clean-up coordinates well with the Newfolden City-Wide Rummage Sale event scheduled for June 4th. What doesn't sell or can't be donated, can be easily discarded!

The City of Newfolden will provide a roll-out dumpster to collect all those items you are unable to dispose of in your weekly garbage. Items such as furniture, light construction materials, appliances that **DO NOT** contain Freon, and much more can be placed into this dumpster. It will be located behind the Newfolden Community Center. Please do not discard hazardous waste in this dumpster; a list of items considered hazardous waste is included for your reference.

**Hazardous waste pick up is available May 31st, from 9:00 to 11:00 am.**

**Spring Cleaning**

### HAZARDOUS WASTE PICK -UP MAY 31ST FROM 9:00 TO 11:00 AM

Marshall County Solid Waste will be hosting a hazardous waste pick-up during Spring Clean-Up week. Hazardous Waste pick-up will be available behind the community center on:

**Tuesday, May 31 9:00 am—11:00 am**

This opportunity allows for the pick-up of those items not allowed in the Les's Sanitation dumpsters, which will remain available throughout spring clean-up week.

Please note that some items include a fee for disposal. Items include:

## PLANT A GARDEN! FREE GARDEN PLOTS ARE AVAILABLE!

Gardening season is almost here and plots for garden beds are available at the Newfolden Community Garden! The garden has been enlarged with Fourteen garden plots and two raised garden beds available. The raised beds are reserved for those who are elderly or handi-capable. Tending a plot allows you to grow your own produce while helping to create a valuable neighborhood gathering space. Water will be available.

Sponsors will provide premium soil, will delineate each plot, and will till the area for seeding after Labor Day (weather permitting). Group, family, or individual gardeners are welcome. Plot availability is on a first come-first serve basis. Sponsored by the Evangelical Free Church and the City of Newfolden.

To receive a list of community garden rules and/or to reserve a plot, contact the Newfolden City Office at: [\\* newfolden@wikel.com](mailto:newfolden@wikel.com) \* 218-874-7135 \*

## Newfolden Fire Department Seeks Rummage Sale Donations

The Newfolden Fire Department hosts an annual rummage sale fundraiser during the City-Wide Rummage Sale Event. Donate your gently used items to the fire department (please not computers or television sets). Money is used to replace expensive turn-out gear and other important supplies for our volunteer firefighters. Items can be delivered to the Fire Hall, or you can arrange for a pick-up of your donated items

## SPRING REMINDER: Is Your Sump-Pump Draining into the Sanitary Sewer?

The City of Newfolden monitors and reports flows, discharge, and other testing of the wastewater pumped daily into Newfolden's sanitary sewer system. The sewer system is permitted by the Minnesota Pollution Control Agency and is closely monitored. Inspections are conducted routinely to identify leaks and illegal drainage into the City Sewer system. We would like to take this opportunity to remind property owners to ensure your sump-pumps are draining outside of your structures. With this early spring, inspections are expected to begin shortly. See below for a review of the Inflow and Infiltration Sanitary Sewer Ordinance Number 01212020:

### AN ORDINANCE FOR THE REDUCTION OF CLEAN WATER IN THE SANITARY SEWER SYSTEM WITHIN THE CITY OF NEWFOLDEN, MINNESOTA

The following is the official summary of Ordinance No. 01212020, Third Series, approved by the City Council of the City of Newfolden on the 18<sup>TH</sup> day of February, 2020. This ordinance repeals the Newfolden Sanitary Sewer Ordinance.

This ordinance applies to the discharge of water from roof, surface, groundwater, sump pumps, footing tiles, swimming pools and other natural precipitation into the municipal sanitary sewer system. No person shall discharge any clear water into the sanitary sewer system, by any means, intentional or unintentional.

All dwellings with a sump pump are required to have a permanently installed discharge line to either the outside of the structure or connected to the City storm-sewer system.

Inspections for compliance will be conducted at regular intervals and may include, but not be limited to manual inspection of sump-pump discharge system, visualization of lateral service lines via camera and/or smoke testing.

A monthly utility surcharge, determined annually, may be imposed if inspection is not allowed, if compliance cannot be verified, required corrections have not been made, and violations are determined.
