## ARE YOU PREPARED FOR SPRING THAW?

A reminder that spring thaw, spring rain, and rising water tables may create a wetter than normal Spring!

## IS YOUR SUMP PUMP DRAINING INTO THE SANITARY SEWER?

The City of Newfolden monitors and reports flows, discharge, and other testing of the wastewater pumped daily into Newfolden's sanitary sewer system. The sewer system is permitted by the Minnesota Pollution Control Agency and is closely monitored. The city adopted a stricter ordinance to reduce the flow of clean water into the sanitary sewer system. If you would like a copy of the complete ordinance, contact the Newfolden City Office.

### SUMMARY OF CITY OF NEWFOLDEN, MINNESOTA

#### AN ORDINANCE FOR THE REDUCTION OF CLEAN WATER IN THE SANITARY SEWER SYSTEM WITHIN THE CITY OF NEWFOLDEN, MINNESOTA

This ordinance applies to the discharge of water from roof, surface, groundwater, sump pumps, footing tiles, swimming pools and other natural precipitation into the municipal sanitary sewer system. No person shall discharge any clean water into the sanitary sewer system, by any means, intentional or unintentional.

All dwellings with a sump pump are required to have a permanently installed discharge line to either the outside of the structure or connected to the city storm-sewer system

Inspections for compliance will be conducted at regular intervals and may include, but not be limited to manual inspection of sump-pump discharge system, visualization of lateral service lines via camera and/or smoke testing.

A monthly utility surcharge, determined annually, may be imposed if inspection is not allowed, if compliance cannot be verified, required corrections have not been made, and violations are determined.

The Electronic Message Board (EMB) is operated by the City of Newfolden. There is no cost to Non-profit organizations/events, churches, or school events! The EMB runs 24 hours a day, seven days a week and is visible to all downtown and US Highway 59 traffic.

All for-profit or private organizations can display a customized message, for a maximum of three weeks, at a small fee of \$10.00!

Contact the City of Newfolden to acquire more information or to request an EMB message: [newfolden@wiktel.com](mailto:newfolden@wiktel.com) or 874-7135.
