COMMUNITY GARDEN UPDATE

The Newfolden Community Gardens have been a gift to the residents of Newfolden, provided by the Evangelical Free Church for the past several years.

Unfortunately, the rising costs of insurance has played a role in the ability of the church to continue providing space for the purpose of a community garden.

The gardens will not be available to the public this year.

A big Thank You to the Evangelical Free Church and the ir volunteers for their past work bringing the community gardens to Newfolden.

COMPLAINTS ABOUT CATS RUNNING AT LARGE

It is a violation of City Ordinance for dogs and cats to run loose. We have received complaints about cats recently and it may be worth this reminder. Marking by cats and dogs can cause damage to tires and property. It is more difficult to contain cats, but, keep in mind that a property owner has the right to live-trap or permit another to trap, at-large animals on their property. This may result in your beloved pet being brought to a local animal shelter or released elsewhere. Please consider your pets impact on your neighbors.
