'TIS THE SEASON FOR REMINDERS ABOUT

WINTER SNOW REMOVAL

AND PARKING ON CITY STREETS

Winter is, once again, upon us. And with that, the perils and inconvenience of ice and snow. It is a high priority of the City of Newfolden that all Public Right-Of-Ways are safely cleared of these potential dangers. This effort requires the coordination and cooperation of all who utilize the City streets, alleyways, and sidewalks. We would like to remind you of your responsibilities regarding snow removal. All businesses, homeowners, or renters are responsible for the removal of snow and ice from the sidewalks and driveways that abut your property.

The City of Newfolden has directed public works to share in the snow and ice management of our sidewalks. We will do our best to help residents and businesses. We ask that you do your best to take pride in cleaning and maintaining those sidewalk sections that abut your property. Together we can make Newfolden a safer and more pleasant place to live!

It is important to note that sidewalk management of ice and/or snow is secondary to maintenance of Newfolden's streets. Much like the streets, the roads most traveled will be targeted first by the public works department. This includes Newfolden's business and school corridors. The work moves outward from these areas.

AFTER 2 INCHES OF SNOWFALL

NO PARKING SHALL BE ALLOWED ON CITY STREETS

until snow removal / plow procedures have been completed.

The City does not impose calendar parking, but does seek your assistance in cleaning and maintaining snow and ice from City streets. The presence of vehicles obstructs the path of snow plows and causes problems for the City and your neighbors. City Ordinance—Regulating Operation and Parking of Vehicles on City Streets –Section 7 states:

After 2 inches of snowfall, no parking shall be allowed on City streets until snow removal / plow procedures have been completed.

Also worth noting is **MN Statute 160.2715:**

Prohibits the plowing, blowing, shoveling or otherwise placing of snow or ice onto public roadways at any time.

The City of Newfolden will implement snowplow procedures after a snow fall of three inches or greater. Snow removal will be scheduled as soon as possible to ensure public roadways remain open. This includes evenings and weekends.

We thank you for doing your part this winter season.
